Pelican Art House

September News

September has been a wonderful start to our fall season at Pelican Art House! Our After School Program has been thriving—children not only explored their creativity by making all sorts of amazing projects, but also practiced valuable skills in math and reading. It has been inspiring to see their growth both artistically and academically.

Our Drawing & Painting and Sculpture classes continue to amaze us with beautiful, imaginative artworks. Meanwhile, in Crafty Tech, students have been busy bringing innovation to life with stunning 3D crafts.

We were also proud to host a special Orange Shirt Design Workshop in honor of Truth and Reconciliation Day. Our Pro-D Day Camps were a big success, welcoming students from across West Vancouver, North Vancouver and Downtown school districts.

What's Coming in October

October is full of excitement here at Pelican Art House, with a variety of new workshops and classes for all ages:

- Halloween Workshops: Creative Costume & Mask Design for kids
- Positive Guidance Workshop: For adults and caregivers
- Pottery Classes: Relaxing, hands-on sessions for adults
- Art of Lamp-Making Workshop: Discover the beauty of light and design

Reminder

Please reserve your spot through our website or in-person at Pelican Art House! Spots are limited!
